Chicago Urological Society

Public Policy, Coding & Reimbursement

Program Chair: Christopher Gonzalez, MD

LEARNING OBJECTIVES

At the conclusion of this activity, learners will be able to:

1. Review the progress made in fulfilling AUA DEI task force recommendations
2. Illustrate how urologists can support, promote, and get involved in DEI efforts within urological education and practice
3. Identify RUC structure and process
4. Discuss the role of the AUA in assigning value to urology CPT codes
5. Outline the “four P’s concept” (People, Policy, Politics, Process) and highlight the multiple successes in legislative and regulatory advocacy.
6. Examine ways to streamline billing and coding to ensure appropriate (and maximal) reimbursement for services rendered

CME INFORMATION

The Illinois State Medical Society designates this live activity for a maximum of 2.25 *AMA PRA Category 1 Credits*[™].

Physicians should claim only the credit commensurate with the extent of their participation in the activity. The Illinois State Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Illinois State Medical Society and Chicago Urological Society.
